KindergartenContract

Dear Parent(s)/Guardian(s),

We would like to welcome you and your child to our Kindergarten program. Because Holy Redeemer offers only a full day schedule; the following policy has been adopted.

We wish to provide your child with the best education possible. We realize, as you do that during this important Kindergarten year at Holy Redeemer, you child will not only develop academically, but also physically, emotionally and socially.

We also understand that each child develops at his/her own pace. Though a child may be chronologically ready to enter Kindergarten, they may or may not be ready in one or more of the above mentioned areas of development. This is particularly true of a child who enters the program as an “early five”.

Therefore, if it is determined that after the first six-week period of school, your child’s needs are not being met by the program that we offer, we reserve the right to have your child removed from our program. We will work with you to locate the best possible place that will meet the specific needs of your child.

Thank you for your cooperation.

Sincerely,

Mary Beth Kiley  
Principal

I have read and understand the above policy for the Kindergarten Program at Holy Redeemer. I also wish to provide the best program for my child. I agree to abide by the decision of the school in regard to the above policy.
